“ So very sorry to learn of R.W.'s passing. We were high school classmates and I remember his positive energy he brought to school with him. I'm certain he remained this way throughout his life and will be truly missed by those who loved him.

“ I did not know "R.W" very well but my memory involving R.W. is of my father (Carl W. Boyd) being so very pleased upon R.W's birth.
Dad was a first cousin of Ward Dillow and they liked to call each other "Buddy."
Dad was also pleased similarly when R.W.'s mother (Kristi) was born.
In the summer of 1976, I was hospitalized with a fever caused by a tick bite. One of the first visitors to visit me in the hospital were Ward and his son in law Bob McCalister.
My deepest sympathy goes out to all family and friends of "R. W.", especially R. W.'s mother Kristi Mxalister.

“ RW was always such a joy to be around in college. I was shocked when I heard recently he was teaching back at SEMO. I can remember walking right on by the building that housed the Health class we had together. In addition to the Ag Club antics and stories that you can't make up. Godspeed my friend. The lord has called you to be by his side.

“ *My condolences to the family. R. W. will be greatly missed by all who knew him. He was one of a kind! One of the sweetest kids I ever had the priveleges of working with. I can still remember the day he, his dad and "Grandpa Ward" finished working on that old black flatbed truck. R.W. drove it down the alley to the control room window at the radio station to show it off to me. He was so proud! He grew from being a truly good kid to become a truly great man and he will forever be one of my favorite and most unforgettable people. Again, my sincerest condolences and prayers to the family.*

“ R.W. was part of my friend group back in high school. He was always kind and funny. We went on a double date for our junior prom and shared a dance or two. It was a wonderful evening, such a gentleman. I also remember watching movies at various friends' houses and joking around in classes at A.J.

When my family and I would leave church on Sunday mornings, R.W. was sometimes there in the window next door doing his D.J. thing and always said hello to me, even when I was being a little obnoxious. He was way too young to be saying goodbye. I wish we had talked more as adults.

I'm so sorry for his loss and will be thinking of his family and friends.

“ We were saddened to hear this news today. Mr Mac as our children called him meant a lot to both of them. He was their Ag teacher at Century and went from mentor to friend as our oldest graduated. Your family is in our prayers.
