“ I've known "Bobby Mac" since our early days together at Washington Elementary School. We remained close friends throughout high school. Where he was an outstanding athlete in Track and Football. He set the school record for the mile run that stood for many years and earned 3 varsity letters in football and was selected as Co-Captain of the team his senior year. Bobby Mac was my high school fraternity "Big Brother" which meant he guided me through the initiation process for the Beta Alpha Delta's (I still owe you Bobby Mac). After high school, he joined the United States Air Force and served his country with honor during the Viet Nam era. Robert L. McNeely "Bobby Mac" was loved and will be missed and remembered by many. My deepest sympathy, prayers, and love are extended to his remaining family. Paul Corbin
