ROBERT CARL SUICH

Serving Location:
CRAIN FUNERAL HOME – EGYPTIAN MEMORIAL GARDENS

Robert Carl Suich, age 82 of Lake of Egypt and formerly of Chicago, passed away, Tuesday, May 7, 2024 in The Anchor of the Voyage Senior Living in Marion.

All of us affectionately call Robert C. Suich our 'Uncle Bob'. We remember Uncle Bob to be a man of common sense and practicality. He always played it by the book because there is a right way and a wrong way to do things, and he always wanted things done the right way, no shortcuts.

An engineer by trade, Uncle Bob could fix almost anything. However, his passion was archaeology, artifacts, history and nature. He loved looking back on history and discovering how things used to be. He mined for gold and traveled the world in younger days. Our own Indiana Jones.

Everyone who knew Bob would say they saw 'good' in him. An honest man

who did an honest day's work and always gave you more than you expected. I don't think God makes people like Uncle Bob anymore. And we sure could use the help down here.

We are going to miss you Uncle Bob. Thank you for everything you did for us. You made all of us want to live clean and honest. We will try to do so in your memory. See you soon.

The cremation of Robert Carl Suich has been personally handled by the staff of Crain Funeral Home.

Private Inurnment will be at Egyptian Memorial Gardens Mausoleum in Energy.

Crain Funeral Home in Energy is in charge of arrangements.

“ *Uncle Bobby was an amazing person! He was always's laid back and loved to share stories about his collecting hobbies and archeology trips. He was always there to help my grandparents with odd jobs - "Dirty Work"- and he always seemed to enjoy doing it because he was a handy man and took pride in knowing how to fix things. I never heard him get angry or lose his cool. RIP, Uncle Bobby!*
