“ *Wanda,
Jim and I just learned of Ron's passing this evening. Please accept our sincere condolences during this very difficult time. You are both very special and we are thankful to have shared a lovely friendship between us.
Ron could always bring a smile to our faces and was a joy to be around. There's no words ever adequate for such a loss and I know he will be missed by many who loved him.....but most of all by you. Our hearts are saddened so we just wanted to reach out to express our deepest sympathies. I know God will uphold you with His all sufficient grace. And may you feel Jesus near, even now.*

“ Wanda I am so sorry to hear about Ron. You guys were such dear friends, even though we never "ran around together" I always felt we were very good friends. It is difficult to think Ronnie is gone. I was planning on attending the service today, but Nancy was having a tough time and I just could not leave her. Again my thoughts and prayers are with you. We love you, Don and Nancy
