“ *Ronnie was one of my best friends growing up, and the best man at my wedding when i married Beverly (his sister), my wife of nearly 29 years.
I'll never forget when he toasted us at our wedding and made everyone laugh when he said "Yeah Joe and I were good friends, but I never thought he'd marry my sister".
He and I enlisted in the Marine Corps in the buddy program called the "delayed entry program", while we were in high school, and shared many adventures as young boys, soon to be men.
Remembering all the good times we had in our youth, and knowing he is free from pain, gives me comfort as I'm sure it does him.
Rest in Peace My Friend.*
