“ *I am so sorry to hear about Tom. He was a great husband, father and grandfather. I got to know Tom and his family initially when I attended church in Wetaug as a teenager then after I became a nurse and worked at Union County Hospital, I would see him when he would bring patients in by ambulance. Tom had a caring heart and loved helping people. My heart is with all of the family and I pray that you will feel God's presence, His comfort and perfect peace during this time and in the days ahead.*

“ Have very many memories and stories of Tommy, he was a loving husband to Sue, adored his children, grandchildren, and great grandchildren. One funny story was when we went to visit them when they lived in Louisiana and Sue and I went to town to get some groceries. when we returned there was a baby gator in the road, so someone there picked up this little gator and taped its mouth shut and put it in the trunk of the car. we asked Tom if he would get the rest of the groceries for us out of the trunk, so he did and raised the trunk and that gator jumped at him and Tom jumped 100 ft !!!! then he picked it up. I will have to find that picture of him with that gator. Love and will miss you..Prayers hugs to Sue, Wesla, Stante and families Willie & I Love you all
