*A good neighbor and friend. You, Roger and I spent many a evening in the lawn chairs in the front yard working out the problems of the world. we watch the space station pass over and did a lof of fishing and squirrel hunting from those lawn chairs. we went on many a yard sale trip from those chairs in the evening. Rusby is and was a good friend. we talked a lot about heaven and what it might be like someday. We will see you again some day God bless the Rudluff family and friends.
