“ Didi Doris,

I love you and miss you desperately. You were such an integral part of my childhood and adolescence that I definitely would not be the person I am today without you. Your kindness, spunk, spirit, and wisdom all served me well and I will be forever grateful for them. I'm sorry I made fun of you for being a Christian. I understand now and will see you on the New Earth. You were, are, and will always be my surrogate Brooklyn grandmother.

I love you so very much and wish I could have seen you one last time. I will always have you in my heart.

*With all my heart and soul,
Maria "Annie" Griffo*

P.S. I'm so glad "Annie" didn't stick. :)

P.P.S. You were right, haste DOES make waste.

P.P.P.S. Save me a seat next to you at the big party at the end of time. <3
