“ *I remember being in 2nd grade @ Washington elementary and Miss Ruth lived a couple doors down. Well, a friend of mine and I had exchanged pencils and I guess she got in trouble when she got home. The next day I get called to the principles office about this pencil. For some reason I forgot it and the principle at the time told me I had to walk home and get it. I was in 2nd grade & we lived close to where the Show Me Center is now. My parents were both at work and I was their youngest child & never allowed to walk anywhere alone. I cried all the way to Miss Ruth's house. She was furious because she loved us kids and never tolerated mistreatment no matter what race, she loved us all. She got in touch with my mom who worked at Southwestern Bell then and my dad worked construction. Needless to say, she was my saving grace that day. She was family. I went to school with Larry Driskell Jr. and Sarah Driskell... my condolences to the entire family!*
