“ Ryan lived next door to me and my Son for several years. Ryan was quick to lend a hand, and I would always see him mowing the yard, or playing with his Brother and friends in the drive. He will truly be missed, and my heart goes out to all of his relatives and friends.

“ I remember when Ryan, aunt Teresa and Brandon came down to Arkansas a few years ago. They were staying at the resort down by the river. We had all grilled out and made fried chicken and a big mess of Crawdads. Ryan pretty much ate every single piece of meat. Especially the fried chicken. He wasn't a veggie type of guy, he loved his meat and potatoes. This is one thing I will always remember about him.
