“ Lucille and Family there are never words to be said when the Queen of the family passes on, but since Mrs. Mosley knew the King it makes it a little easier because you all know she resting in the bosom of the almighty. Hold closely all the great memories and cherish the thought that someday you all will be reunited together. My Prayers are with the entire family, take care of you Dad as she would want you to.

GOD Bless and keep you all

“ Mrs. Mosley had 42 grandchildren and great-grandchildren by blood but in her 88 years she accumulated so many more. I am deeply honored to have been counted as one of them. She opened her home and heart to my daughter and myself, as being loving and generous was her true nature. Mrs. Mosley provided examples of how to be a good wife, a good mother, and a woman of God.

Her passing will forever be mourned by us all. I extend, on behalf of my daughter and myself, our deepest gratitude and love to Mrs. Mosley and our condolences to so many who feel the pain of this loss. I love you Grandma.

I have heard it said once that love is the greatest gift that one generation can leave to another. Grandma seemed to overflow with unconditional love for her grandchildren. When I think of her I recall her sweet smile, her warm embrace, her lovely laugh, and endless card games of War. Although Grandma is no longer with us, she will never be forgotten because of the hearts she touched and the lives she influenced. I am so thankful to have had such an incredible woman in my life.

*Love you always and forever,
Portia*
