“ I met Sarah through an online game Phantasy Star Online 2 in 2021. We always joked around and talked about various technologies, games, and pets for 5 years. I'm going to miss those talks. Requiescat In Pace Sarah.

“ I met Sarah online well over 20 years ago, we always kept in touch over the years and she would always brighten my day even if she was having a rough day. She loved sharing pictures of her sweet bunnies and I could tell how much they meant to her. She had such a great soul and was such a wonderful caring person. She truly meant a lot to me as a friend, and my heart will forever be that much emptier without her. Prayers and thoughts to the family in this hard time. May she rest in peace. Be ever free with your father now my dear <3
