“ *I remember first meeting Gloria at the Yearian Family Reunion. She was so friendly and inviting and of course smiling as she gave me a big hug. I remember expecting our (Wayne & I) first child when Gloria told me jokingly, she and her sisters used to say they thought their bellies got big and pregnant from getting them wet when washing dishes. Of course she and I both laughed! She made me feel welcome and I was very comfortable and fit right in with the family. She was always smiling! I enjoyed talking and laughing with her. She was a real sweetheart and will be missed. My deepest condolences to Gloria's family. My heart aches for all of you. Prayers for peace and comfort.*
Love you all,
Gloria Yearian
