“ I just saw this. I'm so sorry for your loss! I worked with Saundra from 2002 to 2005 at Youth Challenge in Virginia as her assistant at the women's home. She was a most wonderful woman and cared so much for the ladies we served and helped through their recovery from addiction. I pray that God will comfort and keep you in His wonderful care.

“Saundra was a huge part of my life. She had such a way about her. I loved her the minute I met her. I was just about 12 years old. I’m much older now, and I reflect on the impact she had on me all the time. She always had great nuggets of wisdom and was so firm with her words. I’m grateful every day she has been a part of my life and one of the influences God allowed in my life. My love and prayers to Jesse and Jeff and the rest of her family.

“Saundra was a dear friend who saved my life and freedom in 2004. When I graduated from Youth Challenge/ Teen Challenge I gave her the medal they hang around our necks. She was a sister hero and I will never forget her. She made a difference in my life and I am a jewel in her heavenly crown. Condolences to her family.

“ Sandy was my big sister and always loved me & looked out for me! She made the holidays so much fun for me as a kid so many memories I will hold close to my heart ❤️
I moved to Florida as I got older and I would have her come & stay the summers with me! And on July 7, 2007 we were both in the pool & I had a brain bleed - she saved my life if she hadn't been with me I would have drowned.
Sandy I love you with all my heart and I will miss you until I see you again ❤️
