“ *Scott, your time here with us was way too short, but in that time, you created and help mold 4 children into amazing and wonderful adults. You added such an energy to the family, one that will be sorely missed. You NEVER failed to provide me with your opinion on any topic, and you never wavered in your love for Judy, your children, and your extended family. I will miss our chats in the kitchen, and the way you always made me smile when telling me any story. You were gruff and ruff, and amazing. Judy...remember that you and the kids have love all around you, and Scott's legacy of love and honesty will be a part of this world for many generations to come.*

“ *Judy, I am so so sorry for your loss. I didn't really get a chance to know Scott but all I need to know is he was your husband and he shared a happy life with you. If there's anything I can do for you, please let me know. My prayers go out to you and your family.  
Love you,  
Karen*
