“ I have one particular memory that has stayed with me since Seth was about 6 years old. I had a box of cereal on the counter . Lu Ann and I were talking and suddenly Seth says ,I guess I'll have some of that cereal , it was so cute . After he finished the cereal he stepped outside and a humming bird appeared in front his face , so close the bird almost touched his nose . Seth was froze , but it was an awesome sight . Rest in peace Seth . Sending our Love <3 Aunt Janice & Uncle Bob
