“ *In high school Sharon was so cute, full of life, friendly & funny. I enjoyed being around her, she always made me feel good. Our paths crossed several times over the years, our talks took me back to our high school days. Condolences to Sandy & her family.*

“ Sharon and I always had a laugh when she would come into the bank and later when I worked at Egyptian Electric. I'm so sorry for your family loss. Jennifer I know last few years have been difficult for you. Sending my hugs and prayers. Your mom always bragged on you.

Randy, since we worked together for a while, your sister was always telling me what you were up to. May you all find peace knowing she had good words for her siblings. Her laughter will be missed.
