“ I had the pleasure of growing up with this big ole Very Lovable Man, with the Gene Simmons tongue! Shawn always had an open door, that went alongside his beautiful heart! This is the man that would give you the shirt off his back if you needed it, never stopping to thinking twice that he might get cold without it. He loved his family dearly and worked hard to make them happy. He also enjoyed his friends and spending time with them. I always loved hanging out with Shawn and Jana. They always made you feel welcomed and loved! Shawn would always sing his favorite Johnny Cash songs and he was good! And he always seem to come up with some good shine when we needed something to warm the soul. Shawn you left this world way to soon, you are and will be greatly missed!

Love You forever!!

“ I'll always remember Shawn as being a kind and outgoing person. Several times during my High School years, myself and a group of friends, including Shawn; would go camping on the weekends. In the few times that I ran into Shawn after our High School years, he was always the same, unchanged man. Genuine, and caring; with an infectious smile. R.I.P. friend.

“ I recently met Shawn at Amy Mize birthday bash. I have the privilege of working with Jana and Amy. I was introduced to Shawn that night. We laughed and talked like we had been knowing each other since grade school. A very down to Earth guy I got to know in such a short time. We spoke of how some folks only see color but its about a person's character. We soon bonded as brothers. Many laughs over the next couple of months but not enough. He often spoke of those who inspired him and CJ Mize name often came up. I am grateful for my union county brothers and friends. It still doesn't seem real. I can still see the baseball cap and hear him playing the harmonica with his signature smile from ear to ear. Family and friends who are left to cherish his memory we can make this world a better place with one Shawn at a time. Much love and respect my brother by my other mother. From labor to reward. Your friend always, Ernie Bryant aka crawfish 🦞
