“ After I graduated high school, I began working at SE Hospital with a rented one room apartment next door. Kenneth and Sheryl showed up one evening and took me shopping. I had never really shopped before, and I figured Sheryl knew I had nothing much to wear—All hand me downs. So I found a couple outfits at Sears and they purchased for me. I know this was Sheryl’s idea as Kenneth would not think of it. I will never forget that kindness to me. ❤️. Love to you Sheryl. ❤️
