“ We're so sorry to hear about Shirley. Whenever we were around her, we always had a good time because she was always so happy and fun to be around. We had such a good time together at Julia's wedding last month and we'll always cherish those memories of her. Mike and I will greatly miss her.

“ I'm so sorry to read of Miss Shirley's passing. She always gave me extra macaroni and cheese for lunch, because she thought I was too skinny. My condolences to the family. Miss Shirley was the best.

“ Shirley was a picture of what a Christian should be! She was a Hallelujah from head to toe! When someone asks me how long I've known Shirley I say I never remember not knowing her. She has been a blessing to our family for as long as I can remember. We will miss her but rejoice in knowing she is with Bob and we will see her again in heaven!

“ Dear Vickie,
I just heard about your mom, and I am just heart broken, I just had a wonderful visit with her at Peggy's funeral last week. I introduced her as my other mother because I spent so much time at your house growing up. I remember your dad swinging us and singing just momma and me and baby makes three, my blue heaven, and your mom and dad swinging together on the front porch they were the picture of happiness and both were so Christ like, what wonderful christian examples they were. I loved going to church with you and your family
and listening to your dad and his brothers sing and play all the wonderful gospel songs. Your mom told me when we spoke on the phone
not long ago that she wanted the song, ain't no grave gonna hold me down and she is right, I know she is with your Dad and the Lord
and
I find great comfort knowing that and that we will all be together again someday. Keeping You And Yours IN Our Prayers, Gary and Sandy
