*Sonny so sorry to hear of Shirley passing. You are and always have had a special place in my heart along with the rest of the Frost family. My first getting acquainted with Shirley was when my mother and her mother shared a room at St. Josepy hosp. in Murhpsboro. I am blessed to to have reconnected with your children and for that I am so thankful. Just want you to know I am caring and sharing my friendship, love and sympathy with you and your family.
