“ *Well I Remember Si from Martin Filing Station. My Brother Marion Jackson was good Friends and I a small child then became better Friends when I got older. U thought Si and Gee was two of the finest people I ever meet.

“ My first memory with Si was: My family's house burned down, nothing left. We were staying with uncle Lloyd and aunt Lena, Si and Katy were visiting and Si was playing with me, I was about five, he was tossing me up into the air and catching me, one of the tosses my' hand me down' pajama bottoms slip off in front of everybody!! I was one embarrassed little boy, but I came back wanting more tosses. I've always had a special spot in my heart for Si. Grover Laminack
