“ My condolences to Betty, Linda, and the family. Linda will remember me from Metropolis because my name is also Linda Carol. She always joked that I was named after her. Although Steve and Linda were a few years older, I have fond memories of them from First Baptist of Metropolis. Our parents were wonderful friends and after the Shirks moved, our parents still kept in touch. I have wonderful memories of visiting the Shirks in KY when my son was 2. (He's now 35.) We were with my parents, Bill and Mary Corson, along with Bill and Grace Estes. One of my favorite pictures of my son is outside Lyndell & Louise's home with Bill Estes pulling him in a little red wagon. I had no idea that Steve was at Murdale. Both of my boys were born in Carbondale and we went to Murdale for several years. Paul Hicks is a wonderful pastor and I can only imagine there is a celebration of Steve's life not only at Murdale, but also in heaven today! My brother, Bob, died of a heart attack on June 30th last year. It was a great loss to me, so I'm feeling your pain and sorrow right now. I am thankful to our Lord and Savior to know that we will see our brothers again one day and that our parents are putting their arms around him and singing joyous songs of praise. May the Lord be with each of you as you go through this sorrow and I pray he gives you peace. There's another bright star in tonight's sky. [Linda, I'm on FB if you want to reach out to me.] Linda Corson Haider (Belleville, IL)

“ Growing up in Metropolis, I knew Steve, Lyndal, Louise and was classmates with Linda. I had reconnected with Steve through our Senior Center when he sang for us. I as many others were, shocked at his passing. My condolences go out to the Shirk family for his loss.

“ I wish I was as eloquent with words as Steve. He always knew just what to say and do. He would always call at just the right time, with an uplifting word of encouragement or a really corny joke that would evoke just as much pain as it would laughter. He has been my friend, my confidant, my classmate, and a wonderful example of what the Christian walk is all about, for almost my entire life. His parents and mine were best buddies and we grew up becoming the same. We were far apart geographically but so very close in matters of the spirit and life. I will miss him deeply, and I know Betty Jo and the family will miss him even more. Our comfort lies in the beliefs he represented so very well and the reward he is being given as a good and faithful servant. May God continue to comfort and bless you Betty Jo, and your very beautiful family. We are there in spirit and wish we could be there in person. Just know how much we love you and will continue to pray for you as you press on. We stand with you.

“ You and your family have always been such angels in so many people's lives. I feel honored to have known you growing up and still keeping in touch with your family. May you rejoice and keep singing in heaven. Watch over those grandchildren and your beautiful wife. You will be missed on earth.

“ To Steve's Family and Church family you have our sympathy. Steve sang beautifully at my fathers funeral in March of last year. We had visited Murdale Church a few times before when visiting family and met Steve. I told him at Dad's funeral and he was very humbled when I told him as the minister of music he reminded me of the music minister they have on Charles Stanleys program. So, sad to hear of his passing and looking forward to the day we'll all see him again in Heaven.....Laura and Steve Thomas Astoria,Il.

Betty Joe and family. You are in my prayers as is our family. Everyone liked Steve. He was a wonderful person and I certainly know what you are probably feeling. Take a day at a time and let God be your guide. I love you and your family as Sam did. He thought the Shirk family was a wonderful Christian family. I remembered a concert we attended and your family was singing as a group. Later someone ask Sam to sing and Louise was ready to play the piano. I remember the song When I think Of Jesus Love. Somewhere there is a video of it. God is love. Keep the faith. Sue Reeder

“ Sending my condolences to the Shirk family. Pastor Steve was very kind to me. Admired his missions and music capabilities in representing the earthly Leader of many singing souls wherever He roamed. A faithful man to his family, to God, to His work, and to His ministries. Will miss Him dearly but understand the body has times when parts fail and eternal rest is sometimes more of a healing than a quick fix. Angels were with Him when He was driving and helped carry Him home gently and sweetly to the Lord's choir of angels in which Pastor Steve taught graciously all these weeks. The spunk and spirit will be missed herebut heaven has accepted that spirit with ease and grace. Keep his legacy in your hearts, souls, and minds. He loved you all and showed it in his times together with all lives touched by Him. Hugs and prayers. Love, Karen McNeely McMinn Carbondale IL
