“ For my family during this time of sorrow. May you find comfort in the arms of Holy Spirit, joy as you reminisce on the life y'all lived together, and love as you gather to celebrate his life well lived. I have a doctor appointment on Monday, hopefully I can make it to services after. Much love and respect to everyone.

Let The Healing Waters Flow

*Reminiscing on the past
And the life left behind
A tear builds with emotion
Never a chance to rewind*

*Move forward, just go on
Press toward your set mark
Words so easy to speak
Though never a place to start*

*Precious memories play on and on
From the journey through each day
For mending the empty heart
That's been shattered and tossed away*

*Tears now begin streaming
Rolling steadily down the face
Little rivers cleanse the pain
Washing the hurt away*

*So let the healing waters flow
Let them free the burdened soul
Let them nourish and heal the body
For newness to blossom and grow*

*Open up the weary floodgates
Let the healing waters flow
These are no signs of weakness*

For you've carried a heavy load

*Growth comes now upon you
Having endured the raging storm
It's time to fulfill your purpose
Predestined before you was born*

*Take a kneel, bow down to Him
Praise His glorious Name
It was Jesus Who cuddled you softly
When you couldn't go another day*

*It was He Who lay down His life
He let His Healing Waters Flow
Hanging upon the cross
Felt pain you could never know*

*Move forward, just go on
This task can now be done
Walk the righteous path
Imputed by the Father's Son.*
