“ Sue was like my sister also, even though we didn't see each other much, being my sister-in-law, I cared for her as if we were blood kin. Sue, I still think the world of you and I will always remember you. Love from Gary and Meri

“ I am so sorry for your loss. Sue was a great person and a long time friend that I got to know when our boys were small. I know she will be missed by all that knew her. Prayers to the family for peace and comfort.
