“ I am remembering wonderful times with my good friend Sue and her family (loved her Mom and Dad, too!) as we were growing up. We went to church together, got into mischief together, were 4-Hers together, had great picnics and hayrides especially on our parents' farms, worked in the fruit packing shed, and went to high school together. The most important trait we share is our faith!! Through thick and thin, joy and pain, we know from Whom we get our strength...our Lord Jesus Christ. God bless all Sue's loved ones who miss her now, but know we will meet again. Love, Barbara Boyd Bauer
