“ *Susan was one of my late wife Trudy's best friends from school and into the 70's. We spent a lot of time together back in the day. Susan was so full of life and laughter, so much fun to be around. I have some pictures of Susan and Jessica from the 70's, I've attached one. If anyone is interested in the others, please contact me.*

Please accept my condolences for your loss.

“ *Susan was my sister in law for many years and I loved her dearly. Even within the last few years she had come by the hospital to see my mother despite her own struggles.*

The Pettet family never lost our love for her nor her for us. Prayers sent for Toni/Jess/Kelsey/Ned and the kids we know that she loved so much. ❤️
