“ *We were so sorry to hear of Ted's passing. What a great guy he was. I would not have been able to continue our business had Ted not accepted my offer for him to work for us and continue with his excellent meat cutting skills, but above all else, we, including all the workers at the plant, enjoyed working with Ted. Not too long ago Steve and I bumped into Marilyn and Ted in Anna, and it was just like old times, with several laughs. Our sincere condolences to Marilyn, and all the rest of his family. He will be missed. Connie and Steve Boyd family*
