“ *I'm so very sorry you have to walk this road. Teresa loved you all especially her grandkids. She was my best friend and Maui buddy. She impacted a lot of lives and will be missed so much. I love you Teresa forever and always.*

“ *My sincere condolences to Barry and the rest of the family. I had the good fortune of working with Teresa for several years in the pharmacy department at Wal-Mart and we shared a lot of laughs. This is so heart-breaking. She deserved a long and happy retirement. I regret not feeling safe enough to attend the visitation and look forward to a time when we can all gather together safely.*

*Sincerely,
Bill Stammer*

“ My heart is so broken. I pray that the memories someday bring you comfort. I loved talking to her about the kids and grandkids and even complaining about our men! It was so great growing up together back in the day. She was my sister-cousin and our memories, will always be kept safely in my heart. She was one of us black sheep and I will really, really miss her so much. A piece of my heart is gone again. If you ever need anything...just let me know.

Sam (Janie ugh!)

PS. I am sorry I got us in trouble last year.
