July 25, 1952 - February 17, 2023

IN MEMORY OF:

Terri Lynn Thompson Snider

Serving Location:

CRAIN FUNERAL HOME – CAPE GIRARDEAU

829 North West End Boulevard, Cape Girardeau, Missouri

Terri Lynn Thompson Snider, 70, of Cape Girardeau, died unexpectedly at her home Friday evening February 17, 2023. She had been battling multiple health issues since June of 2022. It is believed that the cause of her death was heart failure. She left us peacefully in her sleep to be present with the Lord.

She was born July 25, 1952 in Cape Girardeau to Richard Jasper and Mary Louise (Webb) Thompson.

Terri is survived by her husband, Ralph Lee Snider; daughter, Anne Renee Snider; brother-in-law, James Charles Ainsworth; two nieces, Sherri (Johnny) James and Tina (Eddie) Durham; two nephews, Jerry Keith (Charlotte) Ainsworth and Alan (Shareen) Ainsworth. She is also survived by six great nieces, five great nephews, eight great-great nieces, and seven great-great nephews.

She was preceded in death by her parents; sister, Judith Ann Thompson Ainsworth and brother, William Thompson.

Terri attended Cape Central High School and graduated from Southeast Missouri State University with an Associate of Arts degree in nursing in December 1987. She spent most of her nursing career at Southeast Missouri Hospital.

Terri had a special ability with animals, which brought many stray animals to live with her over the years. Both cats and dogs. Currently one dog travels over a mile from his home to spend the day. Probably something about the milk bone biscuits that she fed to all dogs that came to her door. Believe me there are many that stop by. In recent years Terri had taken up the hobby of making jewelry which she truly enjoyed.

Visitation will be held Thursday, February 23, 2023 from 4:00 to 8:00 p.m. at Crain Funeral Home and Cremation Service, 829 N. West End Blvd., Cape Girardeau, MO 63701. Private burial will take place for the family.

Family requests that in lieu of flowers memorial contributions be made to Southeast Missouri Pets, 2536 Boutin Drive, Cape Girardeau, MO 63701 (semopets.org).

Arrangements have been entrusted to Crain Funeral Home.

“ *She was my patient as well as a good friend. We shared a lot of laughter, Terri as much as health issues she was dealing with but her sense of humor always make me feel at ease ,no pressure ,together we made the most out of uncertainty of her illnesses and managed to create a life well lived. You will always be missed. R.I.P*

“ *Met Terri when we went to the new Central Junior High in Cape. We had fun on tacky day when we got to wear shorts and dress up anyway we chose for that one day. We had fun visiting when I went to her house on Main Street. Enjoyed talking to her on the phone earlier this month. I'll miss getting to visit with her on the phone and was hoping to see her in the fall. Take care Ralph and Anne.*

“ There are so many special memories because I saw her often. We spoke every other day on the phone. She and I would have silly nicknames for people. We would be laughing so hard one minute and be serious the next. Sometimes she would call and say are you all right and likewise! Although our politics did not always agree we never let that get in the way of our friendship. She not only made jewelry but did beautiful embroidering , and was a good mother to Ann, wife to Ralph but a good friend to so many. And she really was an animal lover till the end of their life . Her dog Princess will miss her dearly. She adopted Princess. She was a fantastic RN. She worked in the cardiac cath lab when I first got to meet her around 25 years ago. Even when I moved to Nebraska for a while she was one person who still always stayed in contact with me. When I moved back here she still remained a good friend and I spoke to her just Thurs. just the day before she passed away and i said are you doing ok and she said I am doing fine and sounded happy. That is why we were all shocked by her sudden death. But we are at peace to know she died peacefully in her sleep. God truly has the sweetest soul in heaven. Knowing Terri she is caring for the rainbow bridge animals up there too. Especially those who she used to care for in her home like Tiger, Bright Eyes, Barkley to name a few. They were waiting for her. May God Bless Terri and her beautiful family always!
