“ Terry and I were in school from grade one till we graduated from BCHS in 1966. I remember him getting his Mo Ped, he was very proud of it, and enjoyed riding it very much. He was a good guy, I'm sure you will miss him. God will take care of him now. John Herbek

“ To the family My name is Richard Dale and I grew up with Terry and lived a block away from him on Mcleansboro street. I spent many a night and day at his gramas and grampas home . They were good people . I went all through school with Terry up till High school. The last time I talked to him he had a house on east main and it caught onfire and me being a Benton fireman I put it out with slilght damage. I use to see his daughter Kerry every once in a while . I was on the beach when she was on mtv. We talked down their about her dad.. Later I remember her working for the casino. Terry was a good childhood friend and help me get through my mother passing when I was seven years old .May god bless him and his family Richard Dale Sr. bfd3retired3@yahoo.com
