“ *I love you so much Dad and you will not be forgotten my most memorable time with you that I cherish is working with you at at the orchard you driving the tractor and me on the wagon passing out tokens and then going home on weekends you played your guitar and have a couple of beers then we sit around the table once in awhile and play pinochle with the one who can play and I promise you those times will never be forgotten and that you'll always be in my heart and I love you and miss you*
