“ *ive known kevin for a long time. we used to work together. but it was so much more than that. he had that tremendous smile and heart that would light up a room. i considered him such a very dear friend. he would walk into Macys and say Hi, Lora Louuuuu!! Even though its Lora Lee..haha. That just made me so happy to hear him say that. we would discuss our lives and i know how much he loved and was proud of his son. i will miss Kevin so very much, i dont have the right words at all. prayer, love, and light go out to his family.*
