“ *From an early age, "Aunt" Vera always made me feel "good". Can't really describe in words, but she either talked 'even' to you or "up" to you. NEVER 'down', as in a 'scolding.' She was a neat person. I'll miss her.*

A framed picture of the 1933 Reunion shows her as #11 of the 50 that are in picture. Am unfamiliar with the Cox's & Schumakers, but Vera may be the last one to pass.

My condolences to all families that she touched.

“ *Missing my Grandma today! I have so many fond memories of her. I loved visiting her at Christmas time. Everytime I see that hard candy she had every year it puts a smile on my face and think of her. She has many precious Angels welcoming her today.
Love you Grandma*
