“ Sincere condolences LaDonna. Ruth Niswonger just shared the news of your precious mother. Your parents Cotton and Mae were so very kind to me during the season that I lived in Cape Girardeau as a young, single professional lady living away from home for the first time. Will always cherish our time together in the same church family...Mae was so elegant, wise, warm and wonderful. She would hug me 10 times every Sunday, encourage me in my faith and set the example of what it meant to be a virtuous woman, wife, mother, grandmother and friend (Will never forget how delighted she was that your son was water baptized at 4 years old). You are in my thoughts, prayers and heart. Sincerely, Melanie Tindley
