“ *I can't think of Victoria without smiling. She and Heath and Vanessa were inseparable in my first grade class. I will always think of Victoria apart from her physical limitations. Her incredible spunk are the qualities I remember most vividly. Edie, you and her dad always encouraged Victoria to be herself and to do as much as she possibly could, which is the greatest gift a parent can give to their child. Her name is so perfect for her now, as she is certainly sharing Christ's victory over death! Released from all pain and suffering, she is dancing all over Heaven now !! God bless you. My prayers will continue to be with you. Sincerely, Diane LeGrand*
