“ *Virginia cared for our Aunt Nonnie (Ann Bauer) in Belleville for many years. I remember when visiting each week how much of a friend Virginia was rather than "just a caregiver". All of our family members felt that Aunt Nonnie was being given the very best care she could receive - in her own home - and with someone who's company she truly enjoyed.*

*Virginia was always kind and had a story to share. She took excellent care of our Aunt, and for that, she will always be in my prayers.*

*Fly with the angels now, Virginia!!!!*
