“ I will never forget all the times we came to visit you and how no matter what time we arrived at your house , you would always be waiting on us with a home cooked meal and if not you were always willing to make us something to eat , even though you were tired and ready for bed etc . Grandma Henderson as we called her was truly one of the kindest most caring and selfless souls I have ever known and probably will ever know . My only regret being not spending more time with her and visiting while she was still here , love you and I know your in a better place where you belong and will always watch over us , your great grandson jerry

“ We miss you. One of my fondest moments is you trying to pick up my then 18 month old daughter. You just kept laughing as she would wiggle away to try and do a forward roll. Peace and love. Your granddaughter.
