“ *Walt was a good man, and an asset to the community. I didn't have the pleasure of knowing him as long as most everyone else, but he treated me as if we had known each other forever. You will be missed.*

“ My husband and I just loved Walter. Nicest guy ever and we were so happy our friend Dana had found her Prince Charming! Couldn't have done any better than Walter. We will miss the crazy long bike rides we were all determined to complete to convince ourselves 'we still got it'. Walter always dropped off corn at our house, suppose he was trying to sabotage the outcome of our bike rides trying to keep us well fed? Lol. No....he just cared about everyone and was always there to help out anyway he could. We'll miss his contagious laughter, corny jokes and constant positive attitude. You will be missed dearly Walter. Your friends David and Melissa
