I am very sorry to hear of Wanda's passing. I visited with her a few times when my Mother was at River to River. Wanda was so sweet and friendly. I admired her artistic ability very much. Peace and love to the family.

“ Wanda was a special friend to me , we spent.time together each week going to our painting class. I learned that she missed her husband with all her heart, and loved her family dearly. She especially loved those little babies in her family, they made her laugh. We would have the best conversations, just about anything and everything. She will be truly missed. Fly high miss Wanda!
