“ *I've known Wanda for 16 years. She was the sweetest person and I'm glad I met her. We had so much fun walking in the mall. We had a lot of laughs and good times. Even though she's been gone from Paducah we kept in touch. Even when she got so she couldn't hear her friend Ann set it up so we could keep in touch. Thank you Ann. Bev. Weakman*

“ *Wanda was a very very special person. She taught me how to speak my truth without hesitation because that is just what she did. I know how joyful she must be to be reunited with her loved ones. Wanda and I used to split a beer at happy hour at the senior living center. I will pour one out in her honor <3 Much love, Jess Claire*
