“ *Bill was my pal who I met many times at Golden Corral. I visited him in the hospital once and saw his lovely home. He was an example of a man with great purpose and ethics. Will miss him. Ted Caul*

“ *I have sweet memories of Bill and Lois. I was Lois's hair lady for many years. Bill would come to the salon quite often and visit with us. I loved visiting with them both. Bill was mostly there to visit with my dogs. They LOVED Bill. I have referred to Bill as the dog whisperer for years. Dogs seem to find their way to Bill. They knew he had a kind and giving spirit. This earth lost a wonderful person and I will miss him. Knowing Bill had a love for the Lord, I know he is in a better place, safe and happy. Prayers for peace and comfort for the family.*

I knew Bill and Lois well. Bill and I went to meetings, and I got to know Lois as well while visiting him at their fine country home. I moved from the southern Illinois area but still maintained contact for a while. It had been a couple years, though, since I'd phoned him. I was very sad to learn of his passing. He, and Lois as well, were very fine people. I wish I could have returned to Murphysboro just one last time to say goodbye.
