“ Will was a wonderful friend throughout high school and much of college and years afterward. I remember visiting him from Chicago when he lived in Carbondale. I lost touch with him somehow and tried for years to find him. I'm sorry I wasn't able to find him before he died. I am deeply saddened by his passing. Larry Hinman

“ First Baptist Church is thinking of Wills family and lifting Them up in prayer. I had the pleasure of visiting with Will every month. We prayed together and he always wanted to what was happening at church. I enjoyed our talks. He was wise,kind and wonderful man. I know he is with the Lord...and will be dancing with Donna again. He loved his family . I will miss Will ..he touched my heart. I'll see you again Will!!
