“ *June:*

I am so sorry about your loss. I noticed (from the obit) that you no longer live in Murphysboro? I was going to send you a pretty card to let you know that I was thinking of you, but I didn't have your address. So, I'm glad that I looked online and found Bill's Book of Memories.

You and Bill will forever be in my heart. I don't know if I would ever have gotten to where I am today, if not for your kindness. Whenever I think of guardian angels, both of you always come to mind.

Les and I have been married 12 years and presently live in Herrin/Johnston City. Lorien is working on her last year at Eastern Illinois University. And for the most part, live has been pretty good. I hope you are well and lovingly cared for by your family. You deserve the best. Take care.

Love - Karen
