“ *Jordan,
It broke our hearts to lose you, but you did not go alone. A part of us went with you, the day God took you home. If tears could build a stairway and heart aches make a lane, we'd walk our way to heaven, and bring you back again. In life we loved you dearly, in death we love you still in our hearts you hold a place no one could ever fill.

“ *To the family of Jordan, I am so very sorry. I know nothing can take away the pain you must be feeling. As a mother, my heart breaks for such a tragic loss that everyone who loved him must be feeling. When someone touches so many lives as he has, you know his purpose on this earth was for something great.*

Jordan, one of those purposes was to create something "beautiful", and you both did, and those memories will live on forever... Ride with the Angels

“ Jordan,

It's still so hard to believe this is real. I will always be grateful that I was able to meet you during this lifetime. When I first met you it was like we all just picked up right where you left off, as if you had been there forever. You got along with everyone so well. We were just so happy for Sara to have finally met such a wonderful person for her. It breaks our hearts to have to let you go so soon when it feels like we only just put you in a special place in our hearts. Every memory I have with you is the best. I wouldn't have changed a thing. Only god picks the best flowers. For reasons we will never understand. But I know we will meet again someday. Say hello to my big brother for me.

Until we meet again <3

“ Jordan you were always my FAVORITE rent a kid 😊😊. All the times you slept over, needed a ride to school or work. I tried to always be there for you. You made me laugh until it hurt then you would make laugh more. I remember your concerns with mom and Payton and wanting to make sure they were safe and always knew you loved them both. I remember you calling me from your "mini vaca" as you called it, I am sorry I never made it to visit. I am bummed that we didn't get the chance to go have a few drinks and catch up and for me to meet Sara. I am so sad that you are gone but you will NEVER be forgotten. I will see you again and you bet your butt so will hug you ever so tight. I love you Jordan and I hope you are just living the BEST life in heaven. Ride Free Jordan!!
