“ *Mr. Woods was our neighbor for over 25 yrs. He and his wife were both very kind/giving individuals. We always enjoyed his company and sharing flowers bulbs, plants, etc. My daughter, Tammy and I have great memories. She too remember them attending her birthday parties! Mrs. Woods would hired her do summer house cleaning. At age 25, she had her first and only grandchild. Mrs. Woods painted an inmage of him on a undefined mug, she still has this mug in her china cabinet. Mr. Woods and my husband Wayne Godwin would harvest turnips togehter,they both enjoyed this. Since the death of my spouse, I have moved, however, I still drive by the home and think of fond memories.*
