“ Bugs endured many "Go-For-Parts" adventures with us which often involved name-less parts described over the phone for emergency repairs. Bugs will be greatly missed at H&R Agri Power by us and many others. With Sympathy to those who loved him...

“ My sympathies and condolences to Patty and Jordan and the entire Iman family. Am so sorry to hear of Bugs passing. He will be greatly missed. I have known Bugs for as long as I can remember. My Grandmother was neighbors to the Iman family, we would walk down and visit Lucy, Winnard and the kids often. We were blessed to know such a wonderful friend.

“ I am so sorry for your family lost and the lost to H & R Agri. Bugs was a great person. Taking the time to help me at the parts counter and for just talking. When I was back in Illinois in November, I visited with Bugs at Vergennes. We had such a good conversation. We laughed a lot and yes even shed a few tears. The parts counter will never be the same nor the voice at the end of the phone "this is Bugs". God Bless.

“ *I would like to extend my condolences to the Iman family as a whole. The loss of your husband, dad, brother, uncle or fishing buddy is never easy. But at the same time you know that whatever they were going through they are not suffering anymore. And they are now forever looking down on you from above as your heavenly angel. Of course you will miss the good times, the laughs, the talks, but trust that God will see you through. The next couple days to weeks will be the hardest but remember God doesn't put more on us than we can handle. He will you through this pain you have. Again I'm sorry for your loss and pray this brings you all closer together as a family.*
